Biography

Damián Schwartz

Damián Schwartz is an electronic music artist based in Madrid. He is also the man behind Mupa, a label created in order to support Schwartz's most personal feelings and concepts. And he is one of the founders of NET28 (Apnea, CMYKmusik, Cyclical Tracks and Mupa).

The CONCEPT indeed as the most important matter in his universe:

images, ideas and sensations giving shape to the concept, and the music as the courier of that message, because music, as water, fills everything on its route.

Schwartz delivers music with soul: music that in our mind is revealed like a being that thinks and mutates by itself. Raw sequences, daily samples, strong patterns, frantic rhythms, innovation, inspiration... His debut album, Party Lovers (NET28 CD3), was released on November 2008. It was a successful album that confirmed us Mr. Schwartz skills and talent in music.
